Hogan Assessments
Certification Workshop

The Hogan Assessment Certification Workshop teaches the interpretation and application of Hogan's three core personality-based assessments:

HPI

HDS

MVPI

Describes how individuals manage stress, interact with others, approach work tasks, and solve problems.

Describes behaviors that emerge during times of stress, damaging relationships and derailing careers.

Describes an individual's core values, the goals and interests that determine satisfaction and drive careers.

The workshop is designed for talent management and organizational development specialists, HR generalists, HR consultants, coaches and psychologists.
